

Karen Toronjo

Karen, our outgoing President of IMP, has lived in Boise now for almost four years after having moved back from Los Angeles, where she worked in the film industry for more than a decade. She worked as a producer for Silverdraft Studios before landing at Bodybuilding.com as the video production manager. The most recent film she worked on was Heather Rae's "Magic Valley," which shot in Buhl, Idaho last fall. When not running around after her 18 month old daughter, she continues to work with local filmmakers on various projects.

Karen has truly enjoyed being a part of the IMP group where she has been able to make new friends in this community.

'Twas the night before Christmas

and all through the set

the camera crew waited

for sound and a grip.

The equipment was stacked all ready to go

the cast and the crew of the new tv show.

Lance wrote the script and Dan set the lights

Larson Sound was all ready with boom and

the mikes

Pam had the safety and Christl the makeup

Becky yelled "Action" and sipped from her

cup.

The actors performed an award winning show
